## Youth Resource Centre Activity Rooms

If you are part of a non-profit organisation or manage a group that helps and supports young people up to the age of 25 years old, then the Youth Resource Centre could be the ideal environment for you to hold your event or meeting.

Three rooms and a kitchen are available to hire. Partitions have been cleverly designed and the space can be divided into two or three rooms. Alternatively, for larger groups or for those requiring maximum privacy the three rooms can be hired. Hirers who book individual rooms should be aware that other hirers might occupy the remaining rooms.

If you would like a tour of the Youth Resource Centre, please telephone to arrange an appointment and a member of staff will be delighted to walk you through and then discuss any further questions you may have.

The Youth Resource Centre is an ideal location that will help you make your youth program the success you want it to be.
